John A. McCone and W. David Slawson

1. Security clearances are requested for former CIA Director John A. McCone and former Warren Commission attorney W. David Slawson. Both have been asked to give depositions to an attorney of the House Select Committee on Assassinations (HSCA). The taking of their testimony will involve examination of, and comments on, CIA documents classified Secret and Warren Commission documents classified Top Secret (by the Warren Commission).

2. In order to comply with HSCA scheduling, priority handling of this request would be most helpful.
